NEIGHBORHOOD YARD SALE

Date: Saturday Sept. 18 1998
Time: 10:00am - 3:00pm

The Cedarwood Association invites you to participate in the 17th Annual Cedarwood Yard Sale which will be held on Saturday - September 18th from 10:am to 3:00 p.m. (Rain date: Sunday - September 19th)

Any family wishing to have a yard sale on that day must fill out the registration form and send it to **Ellise Ghitelman at 7 University Park**. Please note: you must register by September 10th to ensure that your house is on the yard sale map.

The cost to participate is \$5.00 for Association members and \$7.00 for non-members. If you wish to join the Association, 1999 dues may be included with your yard sale registration form.

The Association will advertise in local newspapers and on the internet, distribute flyers in the Waltham area, and provide maps of all the yard sales to bargain hunters on the day of the sale. Past participants can attest to the excellent turnout of shoppers and to the great buys!

If you have useful castoffs, we'll sell them at the white elephant table. Of course, all proceeds go to the Scholarship Fund.

The white elephant table will be located on Cedarwood Avenue between Wetherbee Road and Harland Road.

Please bring items there between 8:30 a.m. and 9:30 a.m. on the day of the sale (9/18/99). Monetary contributions may be sent to **Ellise Ghitelman**.

We still need volunteers to help sell items at the Cedarwood tables on the day of the yard sale. If you are interested in helping, please call **Ellie Lyman (899-7369)**.

Traffic may be heavy on the day of the sale.

ABOUT THE ASSOCIATION

The Cedarwood Association provides educational, civic and social opportunities. We have several social activities throughout the year (See the Calendar of Events). Also, we provide a scholarship each year to a deserving high school senior.

The association also provides a forum for people to express opinions and ideas to improve our neighborhood. Having an active Association allows us to mobilize quickly when issues arise which affect our community.

Councilor's Corner

Thank you for giving me the opportunity to serve as your City Councilor for the past six years. Representing the residents of Ward 7 at City Hall has been a very rewarding and enriching experience.

The decision to run for Mayor was not an easy one. I really enjoy working as your Councilor, and it has afforded me the opportunity to meet many people and work on issues throughout the city.

If you have any questions or concerns, please do not hesitate to call me at my home (893-7308) or campaign office (398-1616).

Neighborhood Picnic

The Social Committee co-chairs, **Amy Eastwood** and **Ellie Lyman**, decided to hold the annual picnic a week earlier than usual (Saturday, June 19th) and the weather couldn't have been better!

Over 50 adults and children enjoyed a delicious outdoor buffet. The children played on the new playground equipment, while the adults met new neighbors and visited with established neighbors. Surprisingly, several political aspirants also came to the picnic to introduce themselves and shake hands.

A special presentation of gifts was made to **Sandy Kiesling**, husband **Dan**, **Rachel**, **Erica** and baby **Jason** in honor of Jason's birth and in appreciation for Sandy's second year of service as president of the Association.

Special thanks to **Lorne MacArthur** for the loan of his grill, **Mark Huillin** who cooked, **John Allen** who made the sign, and **Ellise Ghitelman** and several neighbors who carried equipment and supplies and helped us set-up. Hope to see you all next year!

Gardening News

As you may have noticed, there has been a lot of gardening activities around the neighborhood. Here's what we've been working on:

Trisha Olds had the idea to add some groundcover on the large expanse of grassy area between the sidewalk and street, and by the pillars. Between raiding her own yard and contributions from **Jane Jacob's** garden Trisha was kept pretty busy during the early part of the summer, planting away.

Jim Giles has been coordinating the efforts to clean-up the area by the Cedarwood bus-stop. He's signed up his fellow neighbors, **Arthur LeHayes** and **John Langely**, to name a few. John is also working on getting some flower barrels donated for either side of the bus-stop.

Speaking of flower barrels, our neighborhood flower barrel has come into its own this year. In the spring, the pansies were a big hit with everyone and they looked bright and cheerful for months! Meanwhile, keeping us on the cutting-edge of gardening, the purple petunias I planted this summer are of the new Wave variety.

Due to the drought, the City of Waltham nearly had to forgo our planters in the pillars this year. But, as usual, our city Forester, **Bobby Fisher** and his crew, came through in the end and the flowers look great!

Special thanks to **Mrs. Olson** and **Mrs. Shepherd** for the use of their water and the encouraging words on our work.
