CEDARWOOD ASSOCIATION NEWSLETTER
January 1980

Dear Member,

We are already planning a variety of Association activities for calendar year 1980. We hope you will join us for the work and play! If you'd like to help with any of the activities outlined below, please contact the appropriate chairperson. For any general questions, contact the officers or your street rep. (See listing on back).

HELP!! We need a volunteer to serve as Corresponding Secretary for the coming year. Please contact Donna Meeker/893-6108.

SOCIAL COMMITTEE

Kathy Lally/894-2388

There will be a social committee meeting on Thursday, January 17, at 7:00 pm at 13 Hamilton Road to begin planning this year's Winter Social. Please call Kathy if you'll be able to help out!

PICNIC COMMITTEE

Mary Lou Rock/899-6015

Plans for the annual picnic will begin in earnest in the early spring. Call Mary Lou if you'll be willing to lend a hand.

PLAYGROUND COMMITTEE

Jane Ravid/891-9832

The playground committee has already scheduled the following events for the spring and summer:

Clean Up Day 1st Saturday in May Chuck & Jackie Gately/
894-2492

Family Softball Night summer Mark Hulliung/893-3783; Dan & Pat DeLea/894-2746; Al Priest/891-6517

LAST SUMMER, attendance at the Cedarwood Playground Program sponsored by the Parks & Recreation Dept. was among the lowest in the City. If you, as a parent, are interested in seeing this program continued, it is important that you encourage your children to participate in the playground program this summer. If you have any suggestions or comments about the programming and facilities currently available, please let the Parks and Recreation Dept. hear from you.

The playground committee is also looking into the possibility of providing some space on the playground for ice skating in the winter. If you like this idea, let them know.

NOTE: We have been assured through Mr. Squires at Brandeis that the relocation of the basketball court will begin immediately after the spring thaw this year.

SOME REALLY GOOD NEWS!!!!!!! The City has recently completed plans for the installation of a traffic light at the entrance to Cedarwood. The plans are now being reviewed by the State. It is entirely possible that further revisions will be negotiated between the two before the job can be put out to bid. However, the money has been earmarked for this project. It looks as though we really will see a traffic light in the early 1980's.

If you have any new neighbors, please let your street rep. know so we can invite them to join the Association.

Thanks.
