

CEDARWOOD ASSOCIATION NEWSLETTER

MARCH 1979

IN REVIEW --

A plant has been sent to Guenter and Donna Loeser. Their "sweet little miss" Catherine arrived in January -- no blizzard.

Kudos to Kathy Lally and her Committee -- Cedarwood Winter Dance. We enjoyed ourselves:

You saw the masterful art work by Evvie Cummings and Stuart at the entrance to Cedarwood? The Waggoner's daughter helped with the decorations at the Elks. She is great at blowing up balloons. Helen LaHaise supervised the crew.

Much loving care, planning and assistance from Mickey and those in the Lally household. He didn't arrange the flowers. Bea O'Toole helped among others.

Jim Donovan's presentation included accolades to all. (He even helped with the clean up detail.) Barbara* was busy with her camera. Ask to see the pictures.

You missed a superb orchestra if you were not in attendance. Talented personages in the combo were from Cedarwood.

Arthur LaHaise was responsible for the design layout re your Winter Invitation.

Joe Shea, "immediate Past President", drew one of the winning numbers for gifts that were donated and otherwise as did Councillor Bob Graves.

The Winners: Kathleen and Eileen Burke, Frank Connors, Guenter and Donna (two?), Jerry O'Brien and two Joes -- Shea and Wormsley.

Many others shopped, cooked, baby-sat, decorated, donated, "etcetera", "etcetera". A special thank you to Jerry and Nancy Aucobin. They were instrumental in securing the orchestra for us.

Whew!! Much work -- Greater pleasure!!!
