YARD SALE Over forty households participated in this year's Great Cedarwood Yard Sale. The scholarship committee wishes to thank everyone who contributed items, plants, food, time, energy or interest to its White Elephant table. A big thanks to Judy O'Neill and family for letting us set up tables in front of their home. We are pleased to have raised \$321 for the Scholarship Fund.

SCHOLARSHIP The Cedarwood Association is pleased to announce that it will be able to award a \$400 scholarship in May 1990. A graduating senior of any high school whose family has been dues paying members of the Association for any two consecutive years since 1983 is eligible. The student must be enrolled in an accredited post-secondary school by September 1990. Applications may be obtained in person or by writing to the Public Services Department at Waltham High School late in January 1990.

ANNUAL MEETING All residents are invited to attend the annual Cedarwood Association meeting on Monday evening, January 8, at 7:30 p.m. in the second floor conference room at Woodside's Service Station. We will be discussing old and new business, as well as electing officers for 1990. If you have any business you would like to discuss or if you are interested in serving as an officer or on a committee, please contact any of the officers listed above.

BRANDEIS POWER PLANT The Coalition for the Preservation of a Neighborhood Environment has been formed to oppose the construction of an electric co-generation power plant at Brandeis University.

The membership of the Cedarwood Association is strongly urged to vote on the ballot below to determine whether the Cedarwood Association should support the above Coalition or remain neutral. All dues-paying members (one vote per family or individual membership) of the Association are requested to vote.

Please check your preference and return your ballot to Amy Eastwood, 17 Hamilton Rd. by Dec. 1, 1989. The Cedarwood Association's position will be determined by whichever option receives the most votes.

BALLOT

☐ The Cedarwood Association should publicly support the Coalition for the Preservation of a Neighborhood Environment.

☐ The Cedarwood Association should remain neutral on the power plant issue.

MEMBERSHIP

The Cedarwood Association consists of approximately 110 family units, or about 20% of the approximately 450 eligible units. Membership and active participation in your neighborhood association are excellent and economical ways to preserve the value of your property and the quality of living that you enjoy in the Cedarwood neighborhood. During the past eleven years the association has played a major role in the following:

- 1) Installation of traffic signals at the intersection of Cedarwood Avenue and Weston Street;
- 2) Revitalization of the Cedarwood playground from a site for teenage alcohol use to a well-equipped and functional playground;
- 3) Denial of a Recreation Department Special Permit requested by Brandels to use the Cedarwood Playground for organized athletics;
- 4) Abatement of nuisance parking by Brandels students in the neighborhood; and,
- 5) Re-establishment of the Cedarwood Association scholarship.

To continue these worthwhile activities, the Association needs your support and it needs more individuals willing to serve as officers and committee members. Please plan to attend the Annual Meeting and pay your membership dues for this year.
